The Global Alliance for Improved Nutrition (GAIN) is a Swiss-based foundation launched at the UN in 2002 to tackle the human suffering caused by malnutrition. Working with both governments and businesses, we aim to transform food systems so that they deliver more nutritious food for all people. In particular, we aim to make healthier food choices more desirable, more available, and more affordable. GAIN's mission is to advance nutrition outcomes by improving consumption of nutritious and safe food for all people, especially the most vulnerable to malnutrition.

DESCRIPTION
<p>Global Alliance for Improved Nutrition (GAIN) Pakistan is looking for a self-motivated, team player to support the business engagement strategy of SUN Business Network (SBN). The SBN is one of four global networks within the Scaling Up Nutrition (SUN) Movement which supports 59 Countries, including Pakistan, to develop multi-stakeholder strategies to scale up nutrition at the national level. The SBN is the principal vehicle for business engagement under SUN Movement, both in informing the ongoing policy, advocacy and knowledge sharing agenda, and in tracking the commitments and program investments of businesses in support of SUN national nutrition strategies. Globally, 14 National SBNs have been established.</p> <p>The network's ambition in Pakistan is to increase desirability, availability, and affordability of safe and nutritious foods in Pakistan through Improving the enabling environment for business to take action on nutrition; Assessing the challenges and opportunities facing business in scaling up their investments in nutrition; Fostering partnerships between business and other nutrition partners, such as government, civil society, donor and the UN and; Ensuring that the SBN mobilizes business behind the government's National Nutrition Strategy.</p> <p>The Global Alliance for Improved Nutrition (GAIN) and the UN World Food Program (WFP) are the two co-convenors of the SBN Pakistan and work closely with the SUN Government Focal Point in Pakistan and the SBN Executive Committee. This position will be Islamabad based. Significant progress has been made in Pakistan, with a membership platform of 36 companies having been built, along with the establishment of a governance structure and appointment of an Executive Committee for SBN Pakistan.
