

The Global Alliance for Improved Nutrition

Job title:	Senior Recruitment Associate
-------------------	-------------------------------------

Classification:	D4 – Senior Associate	Direct reports:	0
Work location	Nairobi, Kenya	Travel required:	Up to 10%

The Global Alliance for Improved Nutrition (GAIN) is a Swiss-based foundation launched at the UN in 2002 to tackle the human suffering caused by malnutrition. Working with both governments and businesses, we aim to transform food systems so that they deliver more nutritious food for all people. In particular, we aim to make healthier food choices more desirable, more available, and more affordable. GAIN's mission is to advance nutrition outcomes by improving consumption of nutritious and safe food for all people, especially the most vulnerable to malnutrition.

DESCRIPTION
<p>Overall purpose</p> <p>The Senior Recruitment Associate is a key position within the GAIN Human Resources function. Reporting to the Recruitment Manager and working closely with the wider HR and Recruitment teams, the postholder will be responsible for leading on a range of talent acquisition activities including:</p> <ul style="list-style-type: none"> • Leading GAIN's full recruitment lifecycle activities across countries in Africa (and other designated areas as may be required), the postholder will be responsible for talent acquisition in a number of countries and at levels from intern to senior executive. GAIN hires a range of highly educated, often expert talent, from a range of industries and backgrounds. • Developing talent pools through first class candidate sourcing, maintaining consistent KPIs in speed/quality of hire and establishing strong business partnering standards as well as making recommendations to improve all aspects of the recruitment process. • Promoting GAIN as an 'employer of choice' to attract and retain high calibre candidates. • Implementing adequate recruitment support to ensure managers are complying with recruitment procedures and employment legislation. • Benchmark market rates and reward packages to attract and retain high calibre staff. • Working on HR general projects alongside other members of the HR team to ensure consistency and learning, helping to deliver the overall HR strategy.
<p>Tasks and responsibilities</p> <p><u>Full lifecycle recruiting</u></p> <ul style="list-style-type: none"> • Managing the delivery of complex end-to-end recruitment processes in a number of international locations (primarily across the Africa regions) in a highly organised and efficient manner. Specific tasks to include: (assessing job needs and requirements, leading recruitment briefings, advertising, reviewing CVs, conducting interviews, shortlisting, reference checking, offer negotiations and contract generation) Collaborating with HR, Managers and programme staff on role mapping and job evaluation in order to ensure job descriptions are fit-for-purpose • Building and maintaining a database of high-quality candidates to rapidly respond to recruiting needs, in addition to sourcing candidates through a variety of networks, events, databases and online resources • Building and maintaining high quality internal customer relationships throughout the organisation

The Global Alliance for Improved Nutrition

- Establishing relationships with external service providers (recruitment agencies, job boards etc) ensuring the best cost to hire, in addition to the delivery of an effective and quality service
- Collaborating with members of HR, GAIN's country office teams and the leadership team to understand current and future hiring requirements through workforce planning activity
- Developing innovative recruitment campaigns and strategies to support with niche hires
- Providing specialist guidance/expertise on pipelining and sourcing channels appropriate to GAIN's in-country requirements.
- Providing expert guidance to hiring managers and interview panels on the design and delivery of competency / strength-based interviews and assessments
- Conducting competency/behavioural based interviews ensuring alignment with core values and working with the recruitment coordinator to ensure the collation and filling of all relevant documentation, due diligence and compliance (including safeguarding) throughout the recruitment process
- Making full use of the Applicant Tracking System (ATS), other related systems and advertising platforms, identifying improvements and efficiencies where possible, and engaging with the ATS development team
- Administering Gain's external branding approach by working closely with the communications team to ensure any advertising materials are suitable for the external market/publications
- Overseeing candidate management throughout the recruitment and onboarding process ensuring a positive candidate experience
- Collecting and providing external marketplace information as required
- Supporting the recruitment manager to implement the development, review and updating of various policies and streaming of recruitment processes ensuring that it adheres to good practice principles.
- Communicating and ensuring adherence to recruiting & compensation policies and procedures to candidates and hiring managers flagging areas for review to management as and when required
- Collaborating, coaching and training hiring managers and other staff involved in the recruitment process to ensure consistency across the organisation.
- Ensuring very high levels of communication with internal clients, providing valuable insight and useful expectation management.
- Producing overall recruitment statistics and insights for management review on a regular basis.
- Supporting with the training and onboarding of junior and new staff as and when required
