

## Global Alliance for Improved Nutrition

<b>Job title:</b>	Senior Project Manager, Kenya		
<b>Classification:</b>	C5 – Senior Project Manager	<b>Direct reports:</b>	1 - 5
<b>Work location</b>	Kenya	<b>Travel required:</b>	Up to 40%

The Global Alliance for Improved Nutrition (GAIN) is a Swiss-based foundation launched at the UN in 2002 to tackle the human suffering caused by malnutrition. Working with both governments and businesses, we aim to transform food systems so that they deliver more nutritious food for all people. In particular, we aim to make healthier food choices more desirable, more available, and more affordable. GAIN's mission is to advance nutrition outcomes by improving consumption of nutritious and safe food for all people, especially the most vulnerable to malnutrition.

DESCRIPTION
<p><b>Overall purpose</b></p> <p>The Senior Project Manager is a leadership role. The postholder is expected to ensure effective ongoing performance of a complex and ambitious food systems project through leading a team of direct reports and functional specialists (advisors). S/he will be directly responsible for managing key stakeholder relationships internally and externally.</p> <p>The post is a dynamic and exciting role. The Sr. Project Manager will be expected to quickly develop strong relationships with their team, relevant partners, exploiting synergies within GAIN and with external stakeholders to ensure continued, effective project delivery.</p>
<p><b>Tasks and responsibilities</b></p> <p><b><u>Project Management and oversight</u></b></p> <p>Primarily responsibilities refer to the coordination and integration of all project aspects under this initiative into a coherent project, specifically;</p> <ul style="list-style-type: none"> <li>• Lead and manage the activity planning and schedule of project timelines, in close collaboration with the PST and KL focal points, ensuring integration, coherence, among all project activities</li> <li>• Supervise the implementation of project activities and deliverables to ensure they are completed in a timely manner, in accordance to Project Management Guidelines, and in collaboration with the PST &amp; KL focal points, local partners, and country leadership.</li> <li>• Review project deliverables and ensure their timely delivery</li> <li>• Lead resource allocation, budgets and forecasting.</li> <li>• Ensure efficient management of project funds through regular tracking of funds utilization and gaps thereof along with Kenya and global finance point persons.</li> <li>• Perform risk management to minimize project risks.</li> <li>• Supervise the convening, facilitation and associated documentation of project governance (QUAD) teams and provide guidance and strategic recommendations on course corrections to be implemented by the project team and / or executing agencies.</li> <li>• Ensure the timely drafting and execution of partnership agreements, memoranda, contracts and service agreements with sub-grantees, knowledge partners, consultants, state governments, industry associations, technical institutions and other government bodies and development partners.</li> </ul>

## Global Alliance for Improved Nutrition
